

Escape Room Monster Hunting

Gear up and slay those monsters

The purpose of the webinar

Survival! Only the bravest, smartest, sincerest and most honourable will survive. Yes, your lives are at stake as you meet your colleagues for this psychological monster hunting game. Some monster are cute and fuzzy, while others... well no one lived to tell the tale. A clue to your survival shall be given now: You have to collaborate to escape the terrors that fill your breakout rooms. Only powerful psychological tools and truthful answers to the dark enigmas will set you free.

A guidebook will help you on your quest

Programme

You will be tested.
You will be entertained.
